Administrator Enck:

NY/NJ Baykeeper and Hackensack Riverkeeper will be conducting a kayak trip on the lower Passaic River on Aug. 20th. We are inviting both NJDEP and USEPA to join us to investigate the Combined Sewer Outfalls on this portion of the River. We would be thrilled if you and your staff could join us.

The trip will launch at 10am from the Frank A. Vincent Marina, Passaic Ave, Kearny and last approximately 2 hours.

We believe it will be an interesting and informative tour, conducive to informal discussion about water quality in the area.

Please contact me directly to arrange the details. Thank you, Debbie
